Teaching, Learning and Support

How will you teach and support my child or young person with SEND? *(IRR)*

- The school teaches pupils with SENDCO in accordance with the Cheshire East area wide offer (see www.cheshireeast.gov.uk/localoffer)
- We are an inclusive school and aim to provide a learning environment, which will meet a wide range of different needs.
- In the school we have a wide range of expertise and skills which support teaching, learning and support for pupils with SEND across the school day.
- We adapt learning across the curriculum to meet individual needs. Sometimes a pupil will need a very personalised approach to learning across the school day; other pupils will need learning differentiated to meet their particular needs whilst still providing challenge.
- Planning for SEND pupils is done by the individual class teachers with the support of the SENDCO and includes quality first teaching.
- Parents are invited to a Parents Meeting with the class teacher and SENDCO, three times a year to review the impact of provision on the learning outcomes and is in line with the cycle of whole school Parents Evenings.
- Additional adults or key people are used flexibly across the school and may be in a class to support an individual or groups of pupils or may be supporting pupils during playtimes and lunchtimes. Our aim is to develop the pupil's independence across all areas of learning and the school day
- Our school is part of the Nantwich Education Partnership and as part of the Partnership we have the support and advice of the Lead SENDCO who is also a qualified specialist dyslexic teacher and is experienced in working with pupils with a wide range of SEND. We also have a Nantwich Education Partnership Outreach specialist who is available to support families and schools, including pupils with SEND.

How will the curriculum and learning environment be matched to my child or young person's needs? *(IRR)*

- As an inclusive school we all work within the school curriculum and we adapt the learning environment to ensure all pupils can access their learning at an appropriate level. This may mean that learning and the school environment is differentiated or personalised to meet specific needs and/or it may mean that specialist equipment or adaptations are put in place, or that the learning is differentiated to account for individual specific needs.
- We seek professional advice from other agencies, such as the Cheshire East Autism Team to help us match the curriculum and learning environment to a pupil's needs.

Teaching, Learning and Support

How are the setting, school, or college's resources allocated and matched to children or young people's needs?

- The Head Teacher decides on the budget for special educational needs in consultation with the school governors.
- The Head Teacher and the SENDCO regularly review the special educational needs across the school and make changes if they are needed.
- Resources for pupils with special needs are, as far as possible, met from the school budget.
- The resources are allocated on a needs basis. Resources may be specialist equipment, additional adult support or outside agency support.
- Some pupils' needs may be very complex and they may need a key person at times across the school day.
- The Head Teacher and SENDCO strategically manage the SEND budget. The budget and its allocation is regularly reviewed over the year to meet any changes in pupils' needs or resources available.
- Where a pupil's needs are more complex and it is felt that additional funding is needed to meet his or her needs this will be discussed with parents at the regular review meetings and consideration will be given to making an application for an Education Health and Care plan needs assessment. If parents agree then the school will work in partnership with parents to apply to the local authority for extra funding.

How is the decision made about what type and how much support my child or young person will receive? Who will make the decision and on what basis? *(IRR)*

- When a pupil is first identified as requiring significant additional support, parents will be invited to meet with the class teacher and SENDCO.
- During the meeting the desired outcomes for the pupil will be discussed and how these will be achieved will be agreed.
- These will be shared with the pupil and his or her views will be included in the decision.
- The school has a wide range of expertise and understanding about the type of support a pupil may need; if there are any differences of opinion about the support a pupil needs to achieve the agreed outcomes then outside expert help will be sought – for example the Cheshire East Autism team– to support the decision.
- All resources training and support are reviewed regularly and changes made as needed.

How will equipment and facilities to support children and young people with SEND be secured? *(IRR)*

- If any specialist equipment or facilities are required then, where possible, this will be met from within the school budget, for example a writing slope and scribes for exams.
- Where specialist equipment or facilities are required that the school does not already have, then the school will review the equipment or

----- [Click here to return to the front page](#) -----

Teaching, Learning and Support

facilities needed with the parent, pupil and any specialist agency, such as a teacher of the deaf or occupational therapist. This may then be met by the school budget or may form part of the provision within an Education Health and Care Plan, for example specialist hearing aids for a deaf pupil.

- Some specialist equipment can be secured on loan from specialist agencies, and across the Partnership we have the opportunity to share resources.

How will you and I know how my child or young person is doing and how will you help me to support their learning? *(IRR)*

- Your child's progress is continually monitored by the class teacher and it is formally reviewed by the Head teacher and SENDCO three times a year.
- The SENDCO continually monitors the progress and support for pupils with special needs and if she is concerned about any aspect of your child's progress, she will contact you to discuss it.
- There are assessments which are statutory and you will receive these results at the required time for example: EYFS (Early Years Foundation Stage) baseline, statutory assessment results.
- Pupils with SEND will have 3 Parents evenings each year, linked to the school cycle of parents' evenings. They will be invited to meet the class teacher and SENDCO to review progress towards outcomes and plan next steps.
- Pupils with a statement or an Education Health and Care plan will have a formal Annual Review each year which will be one of the three review meetings.
- If you are worried or have any concerns between meetings, then you are encouraged to discuss them with the class teacher or make an appointment to discuss them with the SENDCO.
- If the teacher or SENDCO has any concerns or worries during the year then they will contact you either by a phone call, email or at the end of the school day to arrange a time to meet to discuss their concerns.
- At times, some pupils and their parents benefit from a home school contact book.
- When a pupil first comes to school or has perhaps had a challenging time, individual daily face-to-face feedback may be needed for a short time.
- All pupils receive an Annual Report in the summer term.
- We also have a Reading Journal in the infants which is used to share reading progress.

----- Click here to return to the front page -----

Teaching, Learning and Support

How does the setting, school or college consult with and involve children and young people with SEND in planning and reviewing their education?

(IRR)

- We encourage the active participation of pupils in all aspects of their learning.
- Each term all pupils in school are involved in pre-planning the next term's topic. They do this through sharing their prior knowledge, asking questions and discussing how they would like to find out the answers.
- We have a pupil voice (School Council) as well as other groups such as Arts council and Sports Council who meet regularly.
- Through our marking policy we identify areas of progress and areas that need further development. The pupils are given time to read and respond to the comments during MAD (Make a Difference) time first thing in the morning. (see www.willastonprimaryacademy.co.uk)
- Across the year we discuss with all pupils their learning and plan next steps with them.
- For the Annual Review process, the pupil's ideas and thoughts about the year are reported in the statutory paperwork. The pupil is invited to share in part of the review meeting, if appropriate.
- We ask pupils about their learning and how they learn best, which is often key to reaching the learning outcomes that have been agreed.

How does the setting/school/college assess and evaluate the effectiveness and sufficiency of its arrangements and provision for children and young people with SEND? **(IRR)**

- The Head Teacher and SENDCO review the provision and effectiveness for SEND on a regular basis and adapt the provision as required.
- We plan the support for SEND pupils through a Provision Map.
- The successes of any intervention or support programmes are monitored closely, to ensure that they are both effective and good value for money.
- The school works with the NEP and lead SENDCO to monitor and reflect on the effectiveness of provision. We share ideas and best practice.
- The SEN Governor maintains an overview of the school's provision through termly meetings with the SENDCO and provides feedback to the Governing Body.
- The SENDCO formally reports annually to the Governing body.

Keeping Students Safe and Supporting Their Wellbeing

How do you ensure that my child or young person stays safe outside of the classroom?

- We follow the schools safeguarding policy (see www.willastonprimaryacademy.co.uk)
- We aim to include all pupils in all aspects of the school day and the curriculum. Some pupils need a more personalised approach and need extra support at different times of the day. To ensure they stay safe and to support their well being, we may, at playtimes, provide an alternative quiet space or at lunch time provide a quieter place than the hall to eat their dinner.
- Some pupils will have more complex difficulties or medical needs and may need a named key person outside the classroom, this may include a personalised meet and greet session each day and a debrief at the end of the day.
- We carry out risk assessments for all off site activities and residential visits. If we feel a pupil needs extra support to ensure his or her safety and well being, we will carry out an individual risk assessment, which we will share and discuss with parents. This may then mean, for example, an extra named person is included on the trip.
- There is usually a first aider included as part of the staff team for all off site activities.

What pastoral support is available to support my child or young person's overall well-being?

- Our school is a nurturing school and all staff are part of the pastoral support system.
- We understand that pupils with SEND can face many challenges which may impact on their overall well-being and they may need extra pastoral support. After discussion with the pupil and parents we may name a key person to add an extra point of contact and individual support.
- Developing friendships can be challenging and to support this we offer a range of different social skills activities, which are often personalised to meet individual needs.
- We are mindful that it can be challenging for brothers and sisters of pupils with a special need and where needed, will give opportunities for them to have a 'time to talk' with a key adult and be sensitive to their needs as well.
- The NEP Education Outreach worker is offered and signposted to families and pupils and will work at home and at school to support their social emotional wellbeing.
- We do not tolerate bullying in our school and we follow our school policy. (see www.willastonprimaryacademy.co.uk)

How will the setting, school or college manage my child or young person's medicine or personal care needs?

- The school has an administration of medicines policy. (see www.willastonprimaryacademy.co.uk)

----- Click here to return to the front page -----

Keeping Students Safe and Supporting Their Wellbeing

- If medication is prescribed by the Doctor the parent needs to request that the school administers the medicine and then must fill in and sign a form at Reception and a First aider will give it to your child.
- We work closely with the School Nurse and if medication needs to be taken over time in school, then after discussion with the school nurse, parents and staff, a plan is agreed and put in place.
- We have yearly training on the administration of Epi pens and would seek any extra training needed to address any other specific needs that a pupil may have.
- We have regular staff updates on any medical conditions affecting individual pupils so that all staff are aware of their particular needs.
- If a pupil needs any personal care then a Personal Care Plan will be developed with the support of parents and medical professionals, such as the Continence Service. Where possible the pupil's views will also be shared.
- We review all personal hygiene plans to ensure we respect a pupil's privacy and dignity.
- We would ask parents to inform school if a pupil has time off for medical appointments and we will record this absence as 'medical'.
- We have trained First aiders whose training is regularly updated. There is list of First Aiders available at the school.
- There is usually first aider included as part of the staff team for all off site activities.

What support is available to assist with my child or young person's emotional and social development? *(IRR)*

- Our school ethos is to nurture all pupils.
- We have small group and individual intervention activities, where appropriate, providing the children with tools and strategies to develop socially and emotionally.
- Across the school we have time for breathing and mantras to support a relaxed and calm working environment.
- We have a strong PSHCE curriculum.
- The class teacher has overall responsibility for the pupils in their class; sometimes a pupil with special needs may need extra support and a key person or mentor may be chosen to fulfil this role.
- The Nantwich Education Partnership Outreach Worker is offered and signposted to families and pupils, and will work at home and at school to support a pupil's social and emotional wellbeing.
- We seek advice from other agencies such as Child and Adolescent Mental Health Service (CAMHS) and Cheshire East Autism Team (CEAT).
- Where a child needs extra help developing their emotional and social skills we may put in support such as: social skills group, reflection time, quiet time, daily meet and greet, personalised learning, buddy system.

Keeping Students Safe and Supporting Their Wellbeing

What support is there for behaviour, avoiding exclusions and increasing attendance?

- We have a positive approach to supporting and developing good behaviour.
- Our good Behaviour and Discipline Policy can be found on our website (see www.willastonprimaryacademy.co.uk)
- We recognise that challenging behaviour is not a special educational need, but we also recognise that some SEN pupils' behaviour may need extra support and understanding. Parents are involved in identifying and discussing specific issues and personalised behaviour strategies will be built into the class teacher's planning under quality first teaching. This will be monitored and reviewed regularly.
- If there is a risk of exclusion, parents are fully included in all aspects of the process and outside agencies will be contacted for advice. (see www.willastonprimaryacademy.co.uk)
- The NEP Outreach worker is offered and signposted to families and pupils who are at risk at exclusion or have poor attendance.
- Attendance is monitored daily. Where a pupil with special education needs has poor attendance, we would seek to discuss this with the parent and where possible seek advice from the Education Welfare Officer.
- Incentive schemes include an Attendance Bear prize for the highest class attendance on a weekly basis and termly awards for regular attendance.

If we feel a pupil needs extra support to ensure his or her safety and well being, we will carry out an individual risk assessment, which we will share and discuss with parents. This may then mean, for example, an extra named person is included on the trip or a more personalised approach to the activity or trip. <p>What can I do if I am not happy with a decision or what is happening? <i>(IRR)</i></p> <p>If a parent is unhappy with the provision that we are making for their child, then you should initially approach the class teacher or the school special educational needs coordinator (SENDCO). If this does not resolve the problem then the parent should speak to the Head teacher and then the school SEN governor. If the parent still does not feel their complaint has been dealt with, then we advise that they seek advice from Cheshire East Information Advice and Support. http://ceias.cheshireeast.gov.uk Parents are advised that the school complaints policy is accessed through our website www.willastonprimaryacademy.co.uk</p>
